

BILLING & PAYMENT

For patients with Medicare and Private Health Insurance cover:

Launceston Endoscopy Clinic is a 'no gap' practice for standard endoscopy and colonoscopy procedures. This means that there are no extra costs for you to pay for your procedure above the excess amount that you pay in relation to your private health fund.

We suggest that you confirm your health insurance covers the procedure.
The item codes for endoscopy 30473 and colonoscopy 32222 +/- 32229.

For patients with Medicare only (no Private Health Insurance cover):

We are able to offer all-inclusive packaged care arrangements for patients without Private Health Insurance across the majority of our partner hospitals. You are required to pay a deposit upon booking confirmation and to pay your bill in full to Launceston Endoscopy Clinic two business days prior to your procedure. This one payment covers all aspects of your procedure including specialist, anaesthetist, hospital, pathology and other related fees.
